Dustin - I like her

Will - She seems okay

Mike - I don't know

Lucas - What do you mean, you don't know?

Mike - I just don't know her that much

Dustin - Maybe if you didn't push her away all the time you'd be able to get to know her

Mike - Maybe if she wasn't so annoying I'd want to get to know her

Lucas - Dude calm down. Why are you so against her?

Mike - I don't know

Mike - Can't I have my own opinion of her?

Dustin - But seriously, why don't you like her?

Dustin - It's not like she's replacing Eleven

(Mike has left the chat)

Lucas - Well then, why do you think that something's wrong with him?

Mike - It's, just, haven't you guys noticed that he's been acting stranger lately?

Lucas - It is around the same time as it happened

Dustin - Yeah, maybe he's jst going through some PTSD or some shit

Lucas - Then what?

Mike - They texted 'Goodbye Mike'

Dustin - WHAT

Lucas - Holy shit

Will - So what happened with the whole 'Goodbye Mike' thing?

Dustin - That was the last thing Eleven said before she disappeared, without a trace

Will - So that's why you guys freaked out when he said that?

Dustin - Yeah

Dustin - That's also why Mike was so freaked out when he got it

Will - Oh

Will - That makes a lot of sense now

Will - Do you want my mom to pick you up on our way to Mike's?
